Parents-

We are starting this week with 5th grade science CAASPP testing! Please keep checking weekly for your child's testing schedules. This only applies to grades 3rd thru 8th.

I recommend your child gets plenty of rest, eats breakfast and arrives to school on time especially on test days.

Thank you for your support!

Dear Cal Aero Parents and Guardians,

Our site has received an allotment of At-Home COVID-19 antigen test kits provided through the California Department of Public Health (CDPH). This one-time distribution provides an added layer of protection to mitigate an outbreak among students and staff amid the COVID-19 pandemic as our Junior High returns from spring break and our Elementary tracks continue to rotate through off-track breaks.

One kit, complete with two antigen COVID-19 tests, has been provided for each student enrolled at our school site to receive. Parents and guardians are invited to use the kit at their discretion to screen for the presence of the COVID-19 virus in their student. Please be advised that testing is not mandatory.

Test kits will be sent home with Track A, B, C and JH students on March 22, 2022. Students who are absent will receive their test kit when they return. Track D will receive their kit on April 5, 2022. If you would like to decline receiving your student's optional test kit, please complete the opt-out form attached to this communication and return the completed form to the front office.

As noted in Superintendent Enfield's letter, current isolation and group contact tracing guidelines remain in effect. Therefore, if a positive test result is received, please immediately notify our school administrative office.

The District has confirmed that students isolating at home can return to campus after providing their At-Home COVID-19 antigen test result and have met isolation guidance provided by CDPH. The Positive COVID-19 Student Attestation Form to confirm test results is available on the district website under the FORMS tab on the COVID-19 UPDATES webpage. Completed forms can be returned to our front office upon your student's return to school.

Thank you for remaining a collaborative partner in providing a safe and healthy environment for all our Aviators can't express how much your continued cooperation and support are appreciated.

Sincerely,

Mrs. Sunderland

COVID-19 ANTIGEN TEST KIT OPT-OUT FORM

As students and staff return to campus from spring break, the California Department of Public Health (CDPH) is building upon existing efforts to keeping schools safe. CDPH has provided school districts with a second allotment of one-time at-home COVID-19 antigen test kits to test for the presence of the COVID-19 virus.

While health officials highly recommend that students test to mitigate an outbreak of COVID-19 among students and staff and keep everyone in the classroom for in-person instruction, there is **no** associated state-wide requirement to test.

Acceptance of a free, one-time COVID-19 antigen test kit is optional, and parents/guardians may select not to receive a test kit for their student(s). If you would like to decline receiving an At-Home COVID-19 antigen test kit provided to the Chino Valley Unified School District (CVUSD) by the CDPH, please complete the form below and return the completed document to your student's school front office before the school's distribution date.

For COVID-19 updates, please visit the CVUSD district website: <https://www.chino.k12.ca.us/Page/26942>.
